

Subtraction — Taking Away

Finding out how many are left

ID MATH-SUB-201

Subject Mathematics

Grade Two

Class 25

Time 40 min

Type Concept · Subtraction within 20

Objectives

2 min

- Students will subtract one-digit numbers within 20 using the 'take away' strategy and write the correct number sentence.

Apply

Resources & Support

Resources

- Whiteboard and markers
- Counters / bottle caps (about 20 per pair)
- A large number line (0–20)
- Flashcards of the minus sign (–) and the key words

Target words

- subtract · take away · minus (–) · difference · equals (=)

Teacher note

Model with real objects — physically remove counters so children SEE the group get smaller. Say "take away" out loud each time you remove one.
